

Instructions for the Quarterly Monitoring Reports and System Maintenance Reimbursement Worksheet

General Instructions:

This worksheet shall be completed per 401 KAR 42:250 to initiate reimbursement for actions required by an approved corrective action plan or corrective action agreement and operation and maintenance, if necessary. The following identifies the fixed cost allowed per task performed. The rates prescribed in this reimbursement worksheet shall include facility visits, scheduling, oversight personnel, labor, equipment and material needed in order to perform the listed actions, per 401 KAR 42:250 "Contractor Cost Outline" (January 2006).

The tasks outlined below reflect actions that may be included in a required quarterly monitoring report. Only those tasks required by an approved corrective action plan or corrective action agreement shall be included on this reimbursement worksheet and shall be submitted with the required quarterly report.

Reimbursement shall be contingent upon the cabinet's technical review and determination that the required report is complete and meets the requirements of 401 KAR Chapter 42.

The Miscellaneous Tasks Worksheet shall be completed for the cost of drum transportation and disposal or property access agreements, if required by the cabinet, if those actions are necessary subsequent to the issuance of a pre-established fixed cost directive.

A deduction from the submitted claim shall be made to accommodate for the entry level amount specified in this administrative regulation, unless previously deducted from prior claim payments.

Actions directed by the cabinet that do not have a fixed cost listed on this reimbursement worksheet shall be included in number 8 below. The reimbursement of personnel rates and equipment shall be based on those tasks and qualifications listed in the "Contractor Cost Outline" (January 2006).
